VOLUME 71

ELBA, ALABAMA 36323, THURSDAY FEBRUARY 13, 1969

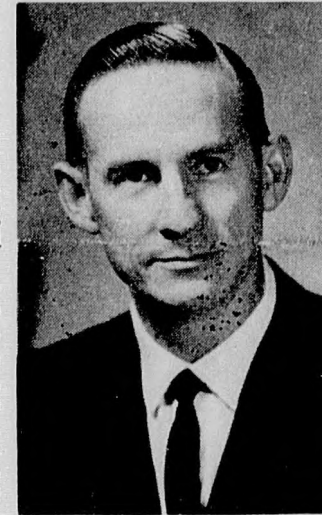

NUMBER 30

NEW BRANCH BANK . . . to open in New Brockton. The Peoples Bank of Elba will open its first branch bank in New Brockton in the near future. The building is now being remodeled and new furnishings installed inside.

## County Baptist Plan Evangelistic Conference

The Coffee County Baptist Association is conducting an Evangelistic Conference at the Hillcrest Baptist Church in Enterprise, Tuesday afternoon and evening February 25th. The program of the afternoon session will begin at 4:00, and last until 5:30. The evening session will begin at 7:00, and last until 9:30. A number of outstanding ministers and laymen from over the South comprise the program personnel. These include Rev. H. Ray Wood, full-time Evangelist of Birmingham. He is a graduate of Auburn University, and of the Southern Baptist Seminary in Louisville, Kentucky. He has conducted revivals in many states over the South. Other speakers are Dr. Jaroy Weber, pastor of the Dauphin Way Baptist Church of Mobile, the largest church in Alabama, with a membership greater than the entire population of Elba; Dr. C. Williams, Baptist State Secretary of Evangelism for Alabama; Mr. Rex Braswell, business man and Christian layman, of Hartsburg, Mississippi, and Mr. Dick Wachtel, Christian layman of Marietta, Georgia. The latter will give his personal testimony and sing. The opening Scripture and prayer in the afternoon will be given by Rev. David Richburg, of the White-water Church of Elba. At the beginning of the evening session Rev. Jack Gibson, of the Salem Church of Enterprise will read the Scripture and lead the opening prayer. Supper will not be served this year, but there will be an intermission from 5:30 to 7:00 for those attending to secure the meal at nearby restaurants. The public is invited to the conference at Hillcrest.

Student Council Plans Dance

The Elba High School Student Council has been very busy this week getting ready for the year's first dance this Friday night. It will be held in the Elba High Cafeteria, from 8:00 to 12:00. Playing for the dance will be the Kapers, a new band coming from our area. Everyone is invited regardless of age. The dance will be well chaperoned, and will cost only \$1.00 per person.

Horse Lovers To Meet In Enterprise

There will be a meeting at the Enterprise State Junior College in the large lecture room February 18 at 7:00 p.m. of all people, young and old, who are interested in horses. Bob Whittenburg, a member of the Auburn University Extension Animal Science Division, will be at this meeting to discuss ways to promote the appreciation and enjoyment of the many fine horses in this area and to develop a youth program that will expand the horse interest in this area. Also, there will be a movie shown, "Ride, Cowboy, Ride." This film shows the various uses of a quarter horse.

The public is urged to attend this meeting and invite any friends who are interested in horses. This meeting is open to anyone who has a horse interest.

PINE TREES AVAILABLE

State Forester J. M. Stauffer announced Monday that an estimated 750,000 unobligated slash pine seedlings are available for sale to the public from the state forest nursery near Auburn.

Orders for these seedlings, accompanied by a check or money order for the full amount of the purchase, should be mailed to: Mr. J. M. Stauffer, State Forester, Dept. of Conservation, Division of Forestry, 721 Administrative Bldg., Montgomery, Alabama 36104.

## Mayor Announces A Clean - up Campaign

Mayor Jack Brunson announced Tuesday that the City of Elba is beginning Operation "Clean - Up". Immediately, this project is designed to get local property owners to clean their property and remove trash, old cars abandoned and dilapidated buildings under growth, etc. The City will provide for hauling this trash, etc. off after it has been piled in a place near to and convenient to a street. Property owners having large amounts of trash on old cars are asked to contact the City Hall.

Brunson cites a section of the City Code which requires property owners to keep their property cleaned of trash, weeds, etc. According to Brunson, the City can clean off an area at the property owner's expense and this cost is a lien against the property. Ten days notice must be given for this however. The City is mailing out letters to property owners.

## Cattlemen To Hold State Meet

The 26th Annual Meeting of the Alabama Cattlemen's Association will be held next Wednesday, February 19 at the Jeff Davis Hotel in Montgomery, according to L. Ham Wilson, Executive Vice President of the statewide group. More than 1200 cattlemen and their wives from every county in the state are expected to attend, Wilson said.

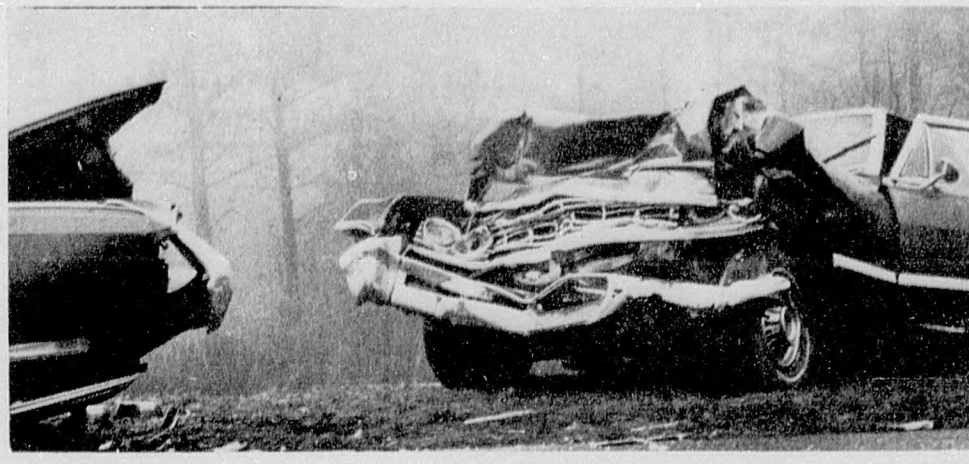

## New Theatre Now Open In Enterprise

The Clark Cinema Theatre, Westgate Shopping Center, Enterprise is now open for business. This is a modern theatre with rocking chair seats and plenty of leg room. According to Clark, "This is the only completely 'rocking chair' movie theatre in the South."

## Additional Names Placed On Honor Roll

Officials at Elba High School report that due to error several names were omitted from the Honor Roll released last week. Additional students on the honor roll for the semester include: Beverly Cox and Judy Lee of the 7th grade and Mary Sue Griffin of the 12th grade.

Sylvia Smith Reporter Student Council

CARS MEET HEAD ON . . . a car driven by Mrs. Ray Trammel of Elba was struck head-on by one driven by Mrs. Ann G. Smith, alias Barbara Lee Fulton, of Niceville, Florida early Friday morning. Mrs. Trammel was going to work at Ft. Rucker at the time of the accident. She had only one passenger, Mrs. Edith Flowers, also of Elba. Mrs. Trammel and Mrs. Flowers were taken to Elba General Hospital by the Elba Rescue Squad and Mrs. Smith was taken there for minor injuries by the Elba police department.

## Highway Patrol Investigates 156 Accidents

Colonel Floyd H. Mann, State Director of Public Safety, stated that from 6 p.m. Friday through 12 midnight Sunday the Alabama Highway Patrol investigated 156 accidents with 61 injuries and 8 fatalities that occurred in the following counties: 2 in Tuscaloosa, and 1 each in Baldwin, Cullman, Perry, Montgomery, Tallapoosa, and Iowades. This raises the total killed so far this year to 86 compared with 69 at this time last year. Districtwise, we are down 4.

## Grand Jury Very Critical

STATE OF ALABAMA Coffee County In The Circuit Court Elba Division

TO: Honorable Eris F. Paul, one of the Judges of said Court:

We have examined into 19 presentments and hand to the Court herewith 15 indictments of which 13 are felonies and 2 misdemeanors. We have continued 3 cases for investigation at a later date.

We find that nothing has been done with reference to the recommendation of the Grand Jury of August 13, 1969, regarding safekeeping of records in the Circuit Clerk's office. This

The Health Building is in good condition and a credit to our county. We find that the heating and air conditioning has not functioned properly for some time.

The Penitentiary and Security Building is in over-all good condition, however on the front entry way one of the facing boards has rotted away and the gutter attached to it has dropped, from \$135 billion in fiscal 1966 to an estimated \$192.195 billion by fiscal 1970 "defies sound reason and judgment" and is a contributing factor to the deficit in the U.S. balance of payments. Rep. Wilbur D. Mills (D-Ark.) said at the annual meeting of the Tax Foundation. He added, "We need hard-headed expenditures control to hold the budget in the coming year well under \$200 billion and to keep expenditures from absorbing the revenue increase generated by rising income levels."

We note that some of the prior Grand Jury recommendations to the jail have been complied with, but we found a window sash out on the back of the jail in the cell block and the other windows needing immediate attention. The outside of the jail should be repainted. The prisoners appear to be properly cared for and fed.

It will be observed that

LUNCHEON prior to the Open House at Haynes Funeral Home was attended by representatives of Liberty National and Haynes Funeral Home. Those attending were from left, first row: Gordon Clark, Doug Martin, D. A. O'Guynn, Joe Shear, Gerow Godges, Charlie Hayes, III, Joe Mickle and Scott Thomas. Second row: Charles Hayes, Jr., Oliver Williams, Frank Owens, Charles Healey, H. H. Hawkins, Joe Jordan and H. L. Winston.

UNREASONABLE SPENDING. The increase in Federal government expenditures from \$135 billion in fiscal 1966 to an estimated \$192.195 billion by fiscal 1970 "defies sound reason and judgment" and is a contributing factor to the deficit in the U.S. balance of payments. Rep. Wilbur D. Mills (D-Ark.) said at the annual meeting of the Tax Foundation. He added, "We need hard-headed expenditures control to hold the budget in the coming year well under \$200 billion and to keep expenditures from absorbing the revenue increase generated by rising income levels."

## Elba Study Club Meets At Country Club

The Elba Study Club met at 3:30 p.m. on February 5 at the Elba Country Club with Mrs. Fox Brunson and Miss Mable Brunson as hostesses.

Mrs. W. H. Taylor, president, conducted the business session during which time the nominating committee reported the selection of officers for the 1969-70 term. Elected were: President, Mrs. J. M. Kimmy; Vice President, Mrs. Duke Tatum; Recording Secretary, Mrs. Josephine Kendrick; Corresponding Secretary, Mrs. Price Ringo; Treasurer, Mrs. O. Dowling; Historian, Mrs. C. O. Aldred; Parliamentarian, Mrs. W. C. Braswell.

## Mrs. Crook Addresses Three - In - One Club

Mrs. Mayo Prescott, Mrs. A. C. Brunson Sr., and Mrs. Dozier Roberts were hostesses to the February meeting of the Three-In-One Study Club at Mrs. Prescott's home Thursday evening.

Two arrangements of early spring flowers gave a decorative note to the party room. The hostesses served a delicious plate with hot coffee before the call to order.

Mrs. E. W. Warr presided. Mrs. Sam Rowe called the roll and read

## Browns Are Parents Of Baby Boy

Mr. and Mrs. Donald H. Brown of Birmingham announce the birth of a son, Donald H. Brown, Jr. He arrived February 6, 1969, at the Baptist Medical Center in Birmingham and weighed eight pounds and thirteen ounces.

Grandparents are Mr. and Mrs. Fleetwood Carnley of Elba.

## Jaycettes Hold Regular Meeting

The Jaycettes met February 6 for their monthly meeting at the Holiday Restaurant.

Matters of business were discussed prior to the meal.

Those present for the occasion were Mrs. Earl McCullough, Mrs. Clifton Allen, Mrs. Dwight Wells, Mrs. Charles Ellis and Mrs. Carl McInish.

## Letter To The Editor

Editor:  
The Elba Clipper  
Elba, Alabama

Dear Sir:

For some time now, I have been receiving requests for a newsletter. While I think newsletters, as such, have their place with regard to informing the people of the Congressional District and Alabama, I also feel that a regular column in the major newspapers in the District and the State will be just as significant toward the goal.

I plan to send you a semi-monthly column directed toward keeping our citizens informed of the important issues and measures before Congress plus other interesting information. You will notice that I have enclosed a two column heading mat which I hope you will find useful.

The column will be mailed every other Friday which should give you time to get it in the next week's paper. I am looking forward to this opportunity to speak to the people of my district and Alabama, and I want to assure you that your ideas and questions are always welcomed in my office. I hope you will

I am only a mother of a little eight year old boy who has such a severe hearing loss that he cannot attend public school. I beg the people in this area to seriously consider these children who cannot even ask for a drink of water unless they have had special oral training. I feel that these children are just as entitled to a free education as any normal child.

The legislators are Drexel Cook, Box 435, Elba 36323 and W. Ray Lolley, 121 N. Main St., Enterprise 36330.

## Good health in capsule version

Into a little capsule goes all your doctor's skill in prescribing, all of our skill in compounding. Result: good health for you!

Editor,  
The Elba Clipper:

I am writing to urge the people in the Coffee County area to please contact the legislators (listed below) either by writing, phoning or visiting. Please urge them to support the Special Education Study Commission's recommendations for monies for handicapped children. If we can get what the Commission has recommended this will offer us a great opportunity to give these children a chance in life, for dignity and understanding, and self respect.

Please ask your legislators to call on Dr. Faye Brown, Chief Consultant, Department of Exceptional Children and Youth, to testify. She can tell exactly what is needed to educate these children.

Highlights of the schedule events for the day will be consultations with department heads and staff members and an opportunity to compete for the \$500 Huntingdon Scholar Awards.

## CLINICAL JUDGEMENT IS A PHYSICIAN ASSET

It is a faculty a physician, after years of medical study, develops through experience in the practice of medicine. It enables him to make the right decisions about diagnosis, treatment, and prognosis (the ability to forecast the future of a disease). This medical wisdom comes from the professional observation of patients.

The clinical judgement of physicians, an ability no layman possesses, is the reason why it is wise to consult a physician at the first sign of any illness.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

## Meet our HONOR AGENT from this area

The Honor Agent designation is one of the top recognitions offered by Liberty National to its agents. Only ONE agent from each of the Company's 119 districts can achieve this honor each calendar quarter. Each agent receiving this recognition must be highly responsive to the wants and needs of his policyholders—and with a record of high and consistent life insurance sales and service.

Liberty National is one of the leading life insurance companies in the United States, with life insurance in force exceeding \$4 billion and assets in excess of \$675 million.

## IT'S UP TO YOU

By  
Howard E. Kershner, L.H.D.THE WELFARE STATE:  
ROAD TO RUIN

As we have often pointed out, the welfare-state in America is a prime example of what welfare stateism will do to a people. This concept, many feel, is itself in a state of collapse. It is a concept that has been reduced to the point where the welfare state is no longer a welfare state, but a bureaucracy and government control.

Working hours have become extremely short and benefits of many kinds are being paid. It is little reason to work at all. A dispatch from Montevideo before we as these lines are written, reads:

"Economic improvement is difficult because welfare-stateism has robbed the 2.7 million inhabitants of this smallest South American country of incentives to work or produce."

As is always true, Communists have spearheaded the drive for more welfare-stateism, knowing full well that it will lead to a breakdown in the economy. The same dispatch just quoted also contains the following statement:

"The Communists, who operate openly and legally, have consolidated control over the labor movement and student organizations at both university and secondary school levels, and are doing their best to help the economic tobanage ride gather speed."

In our country, to be sure, most, though not all, of our labor leaders are strongly anti-Communist. That is something to be thankful for. But Communists are having from within in their efforts not only to influence labor policy, but all other aspects of American life as well.

Last June President Arce of Uruguay began to govern by decree. The disorganization and suffering of the people was so great that they accepted it, probably because they were so tired.

Among other things, the president took the hold step of imposing price and wage controls in an effort to halt inflation. He also enforced his control over industrial activities whose management refused to cooperate with government economic policies.

In other words, the people have lost their freedom and self-government and willingly accept tyranny as the only alternative to chaos and starvation.

If we have not the fortitude to discipline ourselves and refuse to cooperate, but insist on depending more and more upon government, we need only look down the road ahead a little way to see ourselves in the same predicament as Uruguay.

Howard E. Kershner, L.H.D., is a writer and editor. He lives in Los Angeles, California 90005.

JAMES W. HART, JR., Executive Director of the Alabama Petroleum Council, looks on as Phillip E. LaMoreaux (left), State Geologist and Oil and Gas Supervisor, presents Alabama Governor Albert Brewer a container of crude oil representing the 100 millionth barrel produced in the state. Oil was first discovered in Alabama in 1944 in the Gilbertown Field in Choctaw County. Presently Alabama has 549 producing oil wells in the state's ten oil fields.

upon government, we need only look down the road ahead a little way to see ourselves in the same predicament as Uruguay.

NUMBER 31

## COFFEE NEWS & CHAT

BY SARAH E. HUTCHINSON

**LEADERSHIP SCHOOL.** Dr. Riley Lumpkin, Enterprise, spoke to Extension homemakers last week on the subject of weight control. Dr. Lumpkin told the group that weight could be controlled by following these steps: know your body type; understand yourself and your heredity; know foods and what they do for the body; eat correctly and exercise.

Leaders attending the meeting were Mrs. Orell Parker, Mrs. W. W. Neeks, Mrs. Lucy Murdoch, Mrs. Mable Fleming, Mrs. T. E. Byrd, Mrs. Chapple Cunningham, Mrs. James Jolly, Mrs. G. F. Meacham, Mrs. Sam Paschal, Mrs. Buford Manning, Mrs. Dobby Courson, Mrs. Clinton Patterson, Mrs. Albert Dyess, Mrs. Roy Watkins, Mrs. Horace Sessions, Mrs. J. G. Wise, Mrs. J. L. Compton, Mrs. Huey Ziglar, Mrs. Ralf Wilson, Mrs. Royce Griswold, Mrs. Royce Batchelor, Mrs. Edie Pilgrim, Mrs. D. C. Danford.

**LAWN.** Information from our Extension Agronomist, G. N. Andrews, says that February is the time to start mowing if you want to maintain a healthy, vigorous, pretty lawn this summer. The dead top growth may harbor most lawn grass disease organisms.

He also says it's a good practice to lower the cutting height of the lawnmower at least one-half inch before mowing. Be sure to remove clippings.

Removal of dead top growth during the winter or before new growth starts aids in the control of diseases and insects.

**SALT.** Homemakers value salt for a variety of reasons. Salt can sweeten tomatoes, and four tablespoons of salt can be added to a quart of water in a coffee pot will banish bitter flavor and oil residues.

Common mold growth on the surface of cheese can be retarded by wrapping the cheese in a cloth dampened with salt water and then storing in the refrigerator.

Greasy frying pans respond to a sprinkling of salt and a quick wipe with paper towels.

Butter or margarine containing a small measure of salt can be stored in the refrigerator because of the preservative action of salt.

**New auto claim service.**

**"Come in with your bill leave with my check!"**

On the spot, I can trade you a claim settlement check for State Farm's share of your final auto accident repair bill. This new service covers most damages up to \$2500.00. Another good reason for calling me about State Farm Insurance right now.

## Federal Action Urged

W. P. Gullander, president of the National Association of Manufacturers, issued a statement calling on the Federal Administration to commit itself fully and visibly to combating inflation.

Mr. Gullander's statement: "Inflation has reached the stage where it is feeding on itself, disrupting financial markets and threatening severe damage to the American economy. We urge the government to make a prompt and unqualified commitment to take such fiscal, monetary and other necessary steps that will relieve the pressures of excessive demand. Nothing less will convince the public that inflation will really be brought under control. Failure to establish such a public conviction is the reason for the current

"The way of breaking this psychological vicious cycle, is to convince the public that an anti-inflationary program has the first priority in national economic policy."

"A determined anti-inflation effort demands the imposition of strict controls on federal spending so that balanced budgets are achieved without excessive levels of taxation."

"One of the worst of the foreseeable consequences of continuing inflation is that it might lead ultimately to the imposition of price and wage controls."

MEMBERS OF THE HOG PRODUCTION COMMITTEE of the Coffee County Extension Council are shown developing plans for an expanded program in Goff Springs, 1969. Members of the committee are, left to right, Frank Waters of Route One, Daleville, Jimmy Henderson of Route One, Enterprise, Robert Stephens of Route 3, Elba, J. R. Speed, Extension farm agent, is pictured at right.

GEORGE I. COLLIER takes delivery on a hand full of bond certificates he purchased for his children. The bonds and their 6% interest mature at different dates and are planned as part of the children's education fund. Collier receives the certificates from local Legion Commander Maxwell Reeves while Building Committee Chairman Bill Faulk looks on.

PAUL WINDHAM, seated, receives his bond certificates from Legion Commander Maxwell Reeves. Windham is one of a large group of local citizens that are buying the \$50, 6% bonds the Legion is selling to raise money to build a new Legion Home. Bill Faulk looks on.

**Alabama Co-op \$500 REWARD GIVEN**

**Has Been Reorganized**

The internal organizational structure of Alabama Electric Cooperative Inc. has been streamlined to form a more effective management team and to improve operations, Wesley M. Jackson, general manager announced this month.

Jackson announced that all activities will be channeled through four newly created divisions, all headed by veteran Alabama Electric staff members.

Alabama Electric is an electric generation and transmission cooperative serving South Alabama and Northwest Florida with a system of electric power plants and transmission lines which stretch from Georgia to Mississippi. Central offices are located at Andalusia.

Newly named division directors are Robert Holey, administrative division; Charles L. Owan, engineering and operations division; and L. A. (Pete) Deers, Jr., legal division. Named to the new position of staff assistant was Jerry B. Andrews.

Alabama Electric this year enters its second quarter century of operation. It is in the final stages of a \$20 million expansion and modernization program which includes a \$12 million steam generation plant on the Tombigbee River.

While the Lees were working on their farm near Menager on March 30, 1968, they observed some teenage boys tossing lighted matches from a car into the woods along the roadside. The younger Lee got in his car and pursued the car in which the boys were hiding and identified the suspects. The Lees turned over the names of the three suspects to the local law enforcement officials.

The three youths were convicted of malicious burning of the woods in Circuit Court at Fort Payne in September, 1968. Each boy was sentenced to one year in the state penitentiary. However, because of their age and the fact that they had no previous court record, the prison sentence was suspended and they were placed on

two years' probation. State forestry personnel are continuing their investigation of several incendiary fires which have been set in the Lookout Mountain area.

Police Chief Jack Smart requested more room and the council refused to take action allowing the hospital to use city gas and a city tag on a truck.

It plans to purchase in the near future, questioning the necessity of such a purchase.

Police Chief Jack Smart requested more room and the council refused to take action allowing the hospital to use city gas and a city tag on a truck.

On Monday evening, the council voted to offer Marsh Insurance Co., the present office of the City Hall with all present except Councilman Donnie Morrow.

The first order of business was to hear a report from Attorney Bill Stokes on various programs available to the city from the Office of Economic Opportunity. Among the things Stokes mentioned as ideal projects under the program was a new City Hall with room for all city offices and also room for various public meetings.

The next order of business was a lengthy discussion with the Elba School Board concerning the school and the need for additional class rooms to house the growing number of students and the students being transferred from Mulberry Heights. The City promised to help the school board come up with the necessary \$60,000 to build four new class rooms at the Elementary School before next September.

Joe Russell appeared before the council concerning a fence near the right-of-way he gave the City for the sewer line. He reported that the contractor had not replaced the fence and his cows had been shut up since last fall. The mayor promised to get some action from the contractor immediately.

The council discussed the City wage scale for a few minutes and when it was found that the City Clerk was making less than one of the employees under him, a \$5 raise was voted for the Clerk. Further study of the pay scale could result in other raises.

The council voted to pay the room rent of councilmen who attend the Mobile factory would be in Elba on Wednesday and Thursday interviewing a cross section of people that signed up during the labor survey.

It was reported that the hospital board had until May 1st to use the state funds appropriated for the hospital. If not used in this time, they revert back to the state.

The council refused to take action allowing the hospital to use city gas and a city tag on a truck.

It plans to purchase in the near future, questioning the necessity of such a purchase.

Police Chief Jack Smart requested more room and the council refused to take action allowing the hospital to use city gas and a city tag on a truck.

On Monday evening, the council voted to offer Marsh Insurance Co., the present office of the City Hall with all present except Councilman Donnie Morrow.

The first order of business was to hear a report from Attorney Bill Stokes on various programs available to the city from the Office of Economic Opportunity. Among the things Stokes mentioned as ideal projects under the program was a new City Hall with room for all city offices and also room for various public meetings.

The next order of business was a lengthy discussion with the Elba School Board concerning the school and the need for additional class rooms to house the growing number of students and the students being transferred from Mulberry Heights. The City promised to help the school board come up with the necessary \$60,000 to build four new class rooms at the Elementary School before next September.

Joe Russell appeared before the council concerning a fence near the right-of-way he gave the City for the sewer line. He reported that the contractor had not replaced the fence and his cows had been shut up since last fall. The mayor promised to get some action from the contractor immediately.

The council discussed the City wage scale for a few minutes and when it was found that the City Clerk was making less than one of the employees under him, a \$5 raise was voted for the Clerk. Further study of the pay scale could result in other raises.

The council voted to pay the room rent of councilmen who attend the Mobile factory would be in Elba on Wednesday and Thursday interviewing a cross section of people that signed up during the labor survey.

It was reported that the hospital board had until May 1st to use the state funds appropriated for the hospital. If not used in this time, they revert back to the state.

The council refused to take action allowing the hospital to use city gas and a city tag on a truck.

It plans to purchase in the near future, questioning the necessity of such a purchase.
